Duty of Disclosure

When applying for a Plan You must tell Us all material facts before We accept an application, make changes to a plan, add Dependents or renew a plan. You must check that any material facts about You or Your Dependents are correct. If there is any doubt about whether a fact is material, for Your own protection You should tell Us.

We will avoid the part of the Plan which provides Plan benefits to You or as a Dependant (treat it as if it had not existed from the Commencement Date, renewal date or the date of any changes that were made to the Plan), if You (or the Planholder on Your behalf if You are a Dependant):

• deliberately or recklessly gave Us inaccurate or incomplete material facts; or
• did not take Reasonable care to give Us accurate and complete material facts and We would not have covered You under the Plan at all had We known about such material facts.

If We avoid the part of the Plan which applies to You, We will offer any Dependents continued cover if a new Planholder is appointed. The Plan will be suspended until a new Planholder holder is appointed.

If any of the Dependents are 18 years or over they must write to Us by letter, fax or email to appoint one of them as the new Planholder to manage the Plan.

If a new Planholder is not appointed within seven days of the date We notify removal of the Planholder, We will cancel the entire Plan from the date of the removal of the Planholder.
If You as the Planholder or as a Dependant (or the Planholder on Your behalf if You are a Dependant) did not take Reasonable care to give Us accurate and complete material facts and We would have provided cover to You on different terms under the Plan had We known about the material facts, We may refuse to pay all or part of any claim You make.

If We would have applied different terms, conditions and exclusions to You, then the Plan shall be treated as if it had contained such different terms, conditions and exclusions and a claim will only be paid if:

• You have met all the terms and conditions of the Plan and the claim is not otherwise excluded;
• You have met the different terms and conditions that We would have applied; and
• it does not fall within any different exclusions that We would have applied.

If We would have provided You with cover under the Plan at a higher premium, the benefits payable on any claim You make shall be reduced proportionately based on the amount of premium that We would have charged. For example, only half of the claim will be paid if We would have charged double the premium for You.

We may reduce Our liability in respect of a claim or cancel Your Plan upon giving You 14 days’ written notice if You fail to provide material facts as set out above, , You fail to comply with any terms or conditions of the contract (including but not limited to payment of premium received by Us), or You make a fraudulent claim (whether with Us or with another insurer).
